

Placement Waiver/Prerequisite Override Request Form

The Waiver Team strives to save students unnecessary placement testing and repeated courses while ensuring that they are *not* cleared to register for courses for which they are not prepared. In both matters we are responsible to the student requesting the waiver, to the academic department offering the desired course, and even to the other students taking the course.

The Waiver Team serves over 3500 students yearly, or 20% of the entire LCC student population. Each year we grant over 6300 placement levels, and we give almost 1200 prerequisite overrides, or as many as are given by all other departments combined. While waivers at peak times could take up to three business days to process, 76% are done the same business day, and another 20% the next.

We look forward to serving you.

IMPORTANT! Please review what we **cannot** do in the 18 notes below, along with the criteria we **can** use in the "Staff Use Only" section. *If you do not meet the minimum criteria, you will not be eligible for a placement waiver* and instead must take LCC assessment.

Reading and Writing Levels: We CANNOT grant placement levels from

- 1) any ACT subscores below 20 or SAT scores below 430,
- 2) non-Accuplacer tests (WorkKeys, COMPASS, ASSET, etc.),
- 3) other schools' developmental or remedial classes,
- 4) other schools' classes in ESL,
- 5) any grades below a 2.0 or C (not C-),
- 6) any classes still in-progress, or
- 7) any classes or degrees not from an English-speaking country.
- 8) TOEFL may give a Reading Level but **not** a Writ Level; and
- 9) CLEP Fresh Comp or Lit may give levels, but **not** Eng Comp.

Math Levels: We CANNOT grant placement levels from

- 10) any high school classes,
- 11) any SATs, WorkKeys, GREs, etc.,
- 12) other schools' tests (except Accuplacers *under 2yrs old*),
- 13) any classes below Intermediate Algebra,
- 14) any grades below a 2.0 or C (not C-) or ACTs below 22,
- 15) any classes still in-progress,
- 16) any classes or ACTs taken *over 2yrs ago*, or
- 17) any classes in Accg, Econ, or Statistics.

Prerequisite Overrides: 18) If your prerequisite class is being taken at another school and is *not yet done*, then for an override you **must** contact the department offering the LCC course(s) you want to take. (See the schedule book or online: <http://www.lcc.edu/academics/>)

QUESTIONS...? See our FAQs <http://www.lcc.edu/advising/waivers.aspx> or e-mail us: waiver_requests@lcc.edu.

To request a placement waiver and/or prerequisite override, submit this completed form **along with any necessary documents** to Advising **in person** (204 Gannon Building), **via fax** (517.483.1970), or **by e-mail** (waiver_requests@lcc.edu).

The Waiver Team will evaluate requests within **1 to 3 business days**, and **we will e-mail you** as soon as we are done. Notice also that **you can see your placement levels online** by logging in to Star Port and clicking the "Student" tab.
