Dear Donor,

I am extremely happy and honored to be chosen as the recipient for the William and Sarah E. Hinman Foundation Scholarship. That is why I would like to express my gratitude to the donor of this scholarship.

I have just become a senior in the Lansing Community College dental hygiene program and I'm one step closer to achieving my goals. I sincerely want to take this opportunity to thank you for contributing to these goals. It really means the world to me! I greatly look forward to the opportunity when I can be involved in the dental community. Furthermore, I would love to one day be able to impact a future student's education in the same way you have me. Tuition and fees are very costly these days and this will greatly reduce my stress of coming up with so much money. I can't explain the overwhelming joy that it brings me in knowing that you felt that I was worthy of such achievement!

Thank you again for such generosity and support. I promise you I will work very hard in school and be an active member of the dental community as gratitude. I have no intention of just settling down in my career as a Registered Dental Hygienist. I will be the one who strives to make a difference!

Sincerely

Tabitha
