52965	Lecture	0.00/ 0.00	01/09-05/07	TR	5:10pm-6:30pm	GB-161	Bastian W	E
-------	---------	------------	-------------	----	---------------	--------	-----------	---

A mixed-voice (male/female) vocal jazz ensemble. Some instrumentals may be needed. Audition required; music reading skills recommended. For audition information, please contact the Humanities and Performing Arts Department at (517)483-1018. Cost of this seminar is \$79.

#### Percussion Ensemble

52966	Lecture	0.00/ 0.00	01/09-05/07	M	5:10pm-8:00pm	GB-161	Lewis E	E
-------	---------	------------	-------------	---	---------------	--------	---------	---

Performs traditional and eclectic works for a wide range of percussion instruments. Audition required; music reading skills recommended. For audition information, please contact the Humanities and Performing Arts Department at (517)483-1018. Cost of this seminar is \$79.

#### Home Staging

52917	Lecture	0.00/ 0.00	01/14-02/04	R	6:10pm-10:00pm	EAST	Johnson C	E
-------	---------	------------	-------------	---	----------------	------	-----------	---

Gain the basic skills to stage your home with confidence! Explore the styles and techniques of interior decorating to create functional and unique living spaces for your home. Walk away with a better understanding of the principles and elements of good design and color selection, furniture selection and arrangement, window treatments, and the effective use of accessories. Cost of this seminar is \$114.

#### Introduction to Calligraphy

52852	Lecture	0.00/ 0.00	01/14-02/18	R	7:10pm-9:00pm	EAST	Darnell K	E
-------	---------	------------	-------------	---	---------------	------	-----------	---

You will find many ways to apply the skills you learn in this introduction to the art of beautiful writing. Learn basic pen techniques and a variety of traditional calligraphy styles to enhance favorite texts, wedding remembrances, award certificates and special correspondence. Cost of this seminar is \$99.

#### Art of Wine Making

53291	Lecture	0.00/ 0.00	02/04	R	6:10pm-7:30pm	HMSW	Staff	E
			02/11	R	6:10pm-7:30pm	HMSW		
			02/25	R	6:10pm-7:30pm	HMSW		
			04/01	R	6:10pm-8:00pm	HMSW		

In this class you will learn the wine making process starting from juice. The class will begin with a wine tasting, and some general wine tasting information, then go into the actual wine making process including adding yeast, racking out, hydrometer reading for measuring alcohol content, degassing or driving off residual carbon dioxide, wine additives for ceasing fermentation and clearing agents, filtering and bottling. There will be groups of four students working on four batches of wine. The wines we will be making for this class are a Pinot Grigio, an off-dry Blush, an 'oakey' Italian Blend, and a Cabernet Franc Dessert Ice Wine. During the final class we will be bottling the wine and each student will take home two bottles of each wine made, for a total of eight bottles of wine. This class is limited to students 21 years and older. Cost of this seminar is \$159.
