About Scheduling Student Requests for Reserved, Every-Week One-on-One Tutoring:

- Appointment assignments depend on whether or not there is a match of the student's and tutor's schedules.
- Requests are scheduled on a first-come, first-served basis.
- Until you are assigned or if you need additional time, try walk-in appointments at our office about 20 minutes after any hour.
- Walk-in appointments are available when another student's appointment is cancelled for that day.
